TOURNAMENT RULES

RULES

- All rules are governed by the Tournament Directors Association (TDA) rules.
- The Tournament Director's (TD) decisions are final and binding.

ANTE FORMAT

- All tournaments utilize the Big Blind Ante (BBA) format, though select events may run without an ante.
- The player in the Big Blind position is responsible for posting the entire table ante, which is equal to the Big Blind amount.
- In short-stack or all-in situations, the Big Blind is prioritized and posted before the ante.

SHOT CLOCK

- A Shot Clock is implemented for all actions, with a 30-second decision time per action (20 seconds for Turbo and Satellite events).
- To request additional time, players must surrender a Time Bank card to the dealer before their decision time expires.
- If the time expires without a Time Bank card, the hand is automatically declared a Check (if facing no bet) or a Fold (if facing a bet or raise).
- Time Bank cards are non-transferable, non-refundable, and must remain clearly visible on the table at all times.
- The Shot Clock will be paused by the dealer while chip counts or all-in amounts are being calculated.

NOTES

- A 4.4% tax withholding will be deducted from all prize money.
- Players must be 20 years of age or older to participate.
- Prize money must be claimed in person by the recipient; failure to do so will subject the prize to the organizer's discretion.
- Guaranteed prize pools (GTD) are subject to adjustment or cancellation in the event of Force Majeure or natural disasters (e.g., earthquakes, floods, typhoons, severe snowfall, etc.).
- Event schedules, structures, and side events are subject to change or cancellation without prior notice.
- Collusion, soft play, and chip dumping are strictly prohibited. Violators are subject to disqualification, forfeiture of all prize money, and a permanent tournament ban.
- If an Out-Of-Turn (OOT) Check occurs and the skipped player chooses an aggressive action (bet or raise), the OOT player is restricted to non-aggressive options (Fold or Call).
- Any OOT action other than a Check will result in an immediate one-hand penalty without warning.
- Mobile devices must not be placed on the table felt. Using a mobile device during a live hand will result in a penalty.
- Referring to GTO tools, pre-flop charts, or real-time assistance (RTA) while involved in a live hand will incur an immediate one-round penalty.
- Repeated infractions following an initial penalty will lead to disqualification from the event.
- ICM deals or financial agreements are strictly prohibited.

Tournament schedules are subject to change.

Due to unforeseen venue conditions or natural disasters/force majeure, events may be canceled, rescheduled, or additionally scheduled at the discretion of the Tournament Director.
